

Sapphire Ball Table Captain Frequently Asked Questions

Q

If I agree to be a Table Captain, do I have to pay for the entire table myself?

A

While some may purchase an entire table and invite their friends to come as their guests, most table captains ask their friends to pay the cost of their own ticket (\$125 each).

Q

Is there a discount for making a Table Captain Commitment?

A

Yes! Tables seating eight are only \$1,000 (or \$125 per seat). When individual tickets go on sale on July 1, they will be \$150 each.

Q

What happens if I can't sell all the seats at my table?

A

We ask that our Table Captains make every effort to sell the seats at their table. If you are unable to sell all the seats, we ask that you let us know by August 31st the total number of seats you have sold. We will then work to fill in the rest of your table.

Q

When is the deadline for making my Table Captain commitment?

A

We strongly recommend making your table commitments before June 30.

Q

Is a deposit necessary to hold my table, and when will the balance be due?

A

A table deposit of \$250 by June 30 is necessary to hold your table, with the balance paid by August 31st.

Q

I have a significant other, and we'd like both names on the table sign and in the program book. Is this possible?

A

Yes. Table signs are approximately 2" high by 6" wide, and we can customize them with the name(s) you prefer.

Q

I have questions not answered here. Who do I call?
