

CRITICAL NEEDS GUIDE

TRANSITIONAL HOUSING SHELTER

Programs that provide extended shelter and supportive services for homeless individuals and/or families with the goal of helping them live independently and transition into permanent housing. Some programs require that the individual/family be transitioning from a short-term emergency shelter. The length of stay varies considerably by program. It is generally longer than two weeks but typically 60 days or more and, in many cases, up to two years or more. The supportive services may be provided directly by the organization managing the housing or may be coordinated by them and provided by other public or private agencies. Transitional housing/shelter is generally provided in apartment style facilities with a higher degree of privacy than short-term homeless shelters; may be provided at no cost to the resident; and may be configured for specialized groups within the homeless population such as people with substance abuse problems, homeless mentally ill, homeless domestic violence victims, veterans or homeless people with AIDS/HIV.

WHAT HOMELESS PEOPLE NEED TO KNOW ABOUT GETTING SERVICES AT GRADY HOSPITAL

- **Emergency?:** If you are homeless, and have an emergency, you, like everyone else, will be served at Grady no matter where you live.
- **Non-emergency?:** In non-emergencies, if you are homeless and live in DeKalb County or Fulton County, you will be served at Grady but to obtain services, medicines, and medical supplies without any charge, without any co-payments, you be issued a Grady card that shows you are homeless. To obtain this card you need to present to Grady a letter stating you are homeless. This flyer will tell you how to obtain this letter. Those without a letter of homelessness will be asked to pay a discounted amount, based on their income. If they are unable to pay this amount, they will be referred to a service in their county of residence or rescheduled at Grady.
- **Who needs a Grady Card?** If you are homeless, and do not have insurance, you **need** a Grady card to get treatment, medicines, and supplies. If you have Georgia Medicaid, you **do not need** a Grady card since you must use your Medicaid card. If the only insurance you have is Medicare, you **do need** a Grady card. If you have private insurance, you **do not need** a Grady card.
- **What Grady can do for you if you are homeless** If you live in Fulton or DeKalb Counties including Atlanta and Decatur, and you have given Grady proof you are homeless, you will be issued a Grady card that in the VIP field will say "PH" and in the Patient Share field will say "0%". This means: **1.** You will receive all treatment, medicines, and supplies without cost. **2.** You do not have to pay \$2.00 co-pay for medicines or supplies. **3.** You do not have to prove you do not have income. **4.** You will be encouraged, but will not be required, before or after applying for a Grady card or renewing your Grady card, to apply for government benefits such as food stamps, general assistance, and TANF. If you are unable to work because of a medical condition, and you are eligible for SSI disability benefits or SSI based on your being age 65 or older, when you apply for your Grady card, you are required to provide proof that you (1) already receive SSI, or (2) have applied for SSI and are waiting for a decision, or (3) have been denied SSI and have appealed your denial. If you have lost your proof, or cannot get a recent copy of the required proof, Grady's financial counselor will call Social Security for you to verify the status of your SSI. The reason for this requirement is that if you get SSI disability benefits, you automatically get Medicaid. Grady needs to know if you have Medicaid so it can be reimbursed for the cost of the treatment and medicines it provides to you. You benefit too since if you are approved for SSI, you will receive \$603 a month (2006 amount) for as long as you are disabled **5.** You will not be billed for services at Grady during the period you have a Grady card showing you are homeless. **6.** Your first Grady card and any renewals will normally be good for 3 to 6 months. Be sure to keep your card in a safe place at all time.
- **How does Grady decide who is homeless?** The following guides apply *only* to those who live in Fulton County or DeKalb County (including Atlanta & Decatur) If you have a letter from a shelter or a social agency, a church, or any reputable organization stating you are homeless, Grady will accept this letter as proof you are homeless. Unless you have Medicaid or private insurance, you will receive a Grady card showing you are homeless. The card will show "PH" in the VIP field which stands for "patient homeless". Your Grady card will be valid for 3 to 6 months from the date it is issued. The letter stating you are homeless needs to be **1.** Printed on the letterhead of the agency providing the letter, **2.** Signed by the director or his agent with a "live" signature, **3.** Show full address and contact telephone number of the agency. The letter needs to state that you are homeless. It does not need to say that you have no income. This letter will be kept in the Grady Financial Counseling Office. If within the last 3 to 6 months you have given Grady a letter from a shelter or outreach office or other church or social agency stating you are homeless, you are not required to provide another shelter letter as long as you confirm that you are still homeless. You will be asked if you receive government benefits such as SSI or have private insurance, or insurance coverage through Medicaid, Medicare, or private insurance. If it is determined you are homeless and do not have Medicaid or private insurance coverage, you will be issued a Grady card as stated above. If you have Medicaid or private insurance, you will not be issued a Grady card even though you are homeless. If you do not have a letter from an organization stating you are homeless, Grady will, depending on your preference, either suggest places where you can get an official letter from a reputable organization that can verify you are homeless (see list shown below) or have one of its social workers verify your homelessness by writing a detailed narrative of your circumstances. After interviewing you, the social worker will document the location where you stay, the amount of time you spend sleeping at that location, and any other details you are able to provide. This written narrative statement will serve as the visible and circumstantial evidence required by Grady for homeless verification. Most homeless shelters provide a letter stating that you stay at their shelter. If you homeless but do not stay in a shelter, there are "help offices" that can verify you are homeless. Some key help offices that may be able to give you a "Grady" letter include The Gateway, 275 Pryor St. near Memorial Dr., Crossroads Community Ministries located at 420 Courtland St. (at St. Luke's Episcopal Church) and Odyssey III at 276 Decatur St. near Grady Hospital.

Grady cards for outpatient services are issued at the Financial Counseling Office located at room GA026 in the main hospital and is open from 7:00 a.m. to 9:00 p.m. Monday through Friday. **If you need to obtain or renew your card** on the day of a clinic appointment, please arrive at least one hour before your scheduled appointment time. **If you lose your Grady Card** it can be renewed anytime during or following the month the card is due to expire. If within the last 3 to 6 months you gave Grady a letter from a shelter or outreach office or other church or social agency stating you are homeless, you may but are not required to provide another letter from a reputable organization stating you are homeless as long as you confirm that you are still homeless. You may request a review of your Grady card at anytime you determine your financial situation has changed and a review is needed. If you are homeless and unable to obtain a letter stating you are homeless, Grady staff will tell you what you need to do.

■ **If You Have Medicaid;** Medicaid pays for all treatment, all medicines, all supplies except that at all Grady pharmacies, Medicaid recipients must pay \$2.00 for each prescription. But, remember, no one has to pay more than \$20 a month in total prescription co-payments. Everyone in Georgia who gets SSI disability benefits or SSI aged (65 and older) benefits has Medicaid coverage automatically. If you have Medicaid but have lost your Medicaid card, Grady will verify while you are at the hospital whether you have Medicaid coverage or not.

■ **How To Get Free Medical Records: If you need copies of your Grady medical records for the purpose of applying for SSI or SSDI disability benefits, copies will be provided to you at no cost.**

■ **What To Do If...**

- **If** you are improperly denied a Grady Care card, you may contact Tommie McCommon, Director, Patient Access Services, at 404-616-4296 who will assist you or refer you to the person who will assist you.

Medicare Part D – Prescriptions How it affects Grady patients who have Medicare and/or Medicaid

Do you have Medicare? Have you enrolled in the new Medicare Part D? The Grady Health System has partnered with Community Care Rx to offer a new Medicare Part D drug card for persons using the Grady Health System Pharmacies. The Grady logo will be on the card, and it has some perks when you use the card at Grady. There is no co-payment for generics and you still will not pay more than what you are paying now (in most cases that means \$2.00). The unique thing about this card is that as long as you are using the card at Grady, you do not have to worry about what drugs the plan covers. All medications that are covered by the Grady Formulary will be covered by this plan. If you would like to enroll, you generally have to fill out two (2) applications. The first application from the Social Security Administration that determines whether you are eligible to receive the plan for no monthly premium or deductibles. If you have Medicaid already, then you do not need to fill it out. The second application is from Community Care Rx to enroll you in the program It does take approximately six (6) weeks to receive a card in the mail, but Grady will have your number on file sooner than that if you ask the pharmacist when you are there for your prescriptions. To sign up for the card today, go to any Grady Neighborhood Health Center Pharmacy; or come to the main hospital and see a representative located in either the Customer Service Center, the Central Refill Pharmacy Area, the Senior Pharmacy Area, the Main Outpatient Pharmacy on Pratt Street or in the Atrium. Representatives are available Monday through Friday, 8am * 6pm. If you come after hours, just stop by the Main Pharmacy at Pratt Street and they will help you fill out an application or give you one to take with you and bring back another day. Remember you may always call 404-616-1155 and speak to a representative for information or help you enroll. Note: (Thanks to Grady Hospital for providing all the wording shown below for Part D Medicare Prescriptions.) **This flyer was prepared by alanmharris@juno.com with exceptional assistance from Ms. Cheryl Hayes, VP of Grady Patient Financial Services**

(If you have never had an ID card or driver's license in Ga., you must have your birth certificate; the voter registration card will not help you get your ID)

SSI & Social Security Disability Benefits

Two Kinds Of Disability Payments

Social Security makes disability payments under two programs: 1. Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI). **SSDI** payments are made to workers (and minor children and spouses with children in their care) who have worked at least 5 years in the last 10 years before becoming disabled. 2. **SSI** payments are made to people (from age 1 up through age 64) who have little or no income or resources (things they own).

Do You Have A Disability?

To get SSDI or SSI, you must be unable to do any substantial work because of your medical conditions. In 2007, substantial earnings mean, \$900 (or \$1500 if blind) or more a month. This amount goes up each year. Your medical conditions must have lasted, or be expected to last, at least 1 year, or be expected to result in your death.. Even if you cannot do your regular job, **you must be unable to perform any regular paying job for at least 12 months to qualify for SSDI or SSI disability.** However, it is your right to apply for disability benefits even if you are told you probably will not be approved.

How Do You Get Started?

If you think that you may be eligible for SSDI or SSI payments, there are 4 ways to do it. **1. By telephone:** Call 1-800-772-1213 from 7AM to 7PM, M-F. **2. In person:** To get appointment to go to the social security office you can call 1-800-772-1213 or you can just walk in and apply without an appointment. **3. By mail:** You can call 1-800-772-1213 and request application forms be mailed to you or you can go to the social security office and ask for the forms. **4. By internet:** Go to www.socialsecurity.gov.

If you are currently **homeless**, be sure to let SSA know. Your case will be assigned to a **Homeless Unit** where someone who is familiar with the challenges facing homeless people will handle it.

Information Social Security Office Needs When You Go For Your Interview

1. Your **social security number**. 2. Names of all your **employers**, when you worked there, hours worked, how much you were paid. 3. W-2 for last year. 4. Birth certificate (original or certified copy). 5. **Military discharge papers** (DD-214) if you served in the military. 6. If applying for a child, **school records**, letters or reports from child’s teacher. 7. **Medical records** (see below).

If you do not have all of these documents, do not delay applying. Social Security will help you obtain what you need.

Medical Information Needed

Review the following list of places and check where you have been treated or who knows about your disabilities.

Hospitals Clinics Doctors, Nurses Jail Records Prison Records Hospitals	Insurance companies Attorney records Special education School records Social Workers Case Workers	Occupational therapists Speech therapists Unions, HMOs Vocational Rehabilitation Workmen’s Comp Veterans Admin	TB tests, Blood tests Hearing tests, Heart tests Physicals, Prescriptions Psychological Evaluations X-rays, CAT scans Any other records and sources
----------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------

For **each disability** that keeps you from working, list **ALL of the places** above that you have treated you for this disability, when you were first and last treated there, how many visits you have made, and the address. If you have any old medical records, discharge papers, medical bills, these will help jog your memory about dates of treatment. If you have been treated under more than one name, be sure to tell Social Security

What Happens Next?

Social Security will send your application to the Georgia Department of Labor’s Disability Adjudication Services (DAS) center in Stone Mountain, GA, where the medical decision will be made as to whether you are disabled or not according to Social Security’s rules. (Note: No later than 1 week after you have completed your application at SSA, it should have been forwarded to the DAS. Call DAS at 678-476-7000 to find out the name and number of the adjudicator reviewing your case) A person called a disability adjudicator at the DAS, will order your medical records, review them, and make a decision if they have enough information. If additional information is needed you may be asked to provide more work history, a description of your daily activities, and perhaps go to a special exam or special test that Social Security will pay for. It takes about 4 to 5 months to complete most disability claims. Social Security will send you their decision. If they approve your application, they will tell you your payment amount and when payments will start. If they turn you down, they will tell you how to appeal.

For more information on techniques that case managers, advocates, and consumers can use to expedite and improve applications, please contact the DHR SOAR Project at 404-657-2134

10 Actions You Can Take To Improve Your Chances To Be Approved For Disability Benefits

- ❖ **Mention ALL your disabilities:** At the time you apply for Social Security benefits, be very sure to tell Social Security about ALL the reasons why you cannot work—all physical conditions and mental conditions such as depression and emotional problems. Every disability you tell Social Security about must be evaluated. You may have only one disability or you may have five or more. Tell Social Security about all of them.
- ❖ **Find out who your disability adjudicator is:** After Social Security takes your application, they send your claim to the Disability Adjudication Service, where a person, called a disability adjudicator, will decide if you are disabled or not according to Social Security's rules. How do you know who your adjudicator is? Call 678-476-7000 from 8:30 AM to 4:30 PM and when you get a recorded message, press # 4 which connects you to the switchboard operator. Tell her your social security number and ask to speak to the person who has your case. Adjudicators are very willing to help you. You should respond as promptly as you can when your adjudicator requests information from you.
- ❖ **Make sure the disability adjudicator gets ALL your medical records from ALL sources for EACH of your disabilities.** Ask the person who took your application for SSI and/or SSDI to give you a copy of all the information you gave them about your medical treatment. You can use this information to make sure that your disability adjudicator gets all the medical records from all your treating sources. This is very important. For example, the disability adjudicator may ask Grady Hospital for your records from 2001 to present but Grady only sends records from 2002 to October 2004. Or Grady sends the records for your heart condition but not for your diabetes. You won't know what your adjudicator received so you need to ask him or her if your medical sources sent them all the records they were supposed to. (Note: If you are applying for SSI disability benefits, Grady Hospital's policy as of April 1, 2005 is to provide you with copies of all your medical records free of charge.)
- ❖ **Special doctors exams and tests:** If you are asked by your disability adjudicator to go for a special doctor's exam or for special tests, be sure you keep the appointment or that you let them know in advance why you cannot. If you missed your appointment, call your adjudicator and ask that the exam be rescheduled. These special exams and tests are very important. Failure to keep your appointment might result in your being turned down for SSI or SSDI.
- ❖ **Appoint someone to help you:** If you think you will need help with your disability application, and you have a friend, relative, counselor, anyone you trust who is willing to help you, you can informally do this or you can do it formally by asking the Social Security office for form SSA-1696, Appointment of Representative. Your representative, who does not need to be a lawyer, will get copies of all mail sent to you and will be able to discuss your case with anyone at the Social Security office or at the Disability Adjudication Services office. - ❖ **Homeless?** If you are homeless, make sure you let the Social Security Administration know. Special assistance is offered to people who are homeless because Social Security understands difficulties you may have in getting mail, or having to change your address often.
- ❖ **Mailing address:** Be sure you have a reliable, stable mailing address and check often to see if you have mail. Some of the larger mailrooms for homeless people: Crossroads (St. Luke's) 420 Courtland St. Atl 30308, Odyssey III (must have I.D.), 276 Decatur St., Atl 30312, Safehouse, 89 Ellis St. Atl 30303
- ❖ **If you don't live at your mailing address:** If your mailing address differs from your residence address or you are homeless, be sure to tell Social Security at the time you apply and your disability adjudicator where you actually live so that they can schedule any doctor's appointments in zip codes most convenient for you whenever they can.
- ❖ **Forms:** You are most likely to be asked by your disability adjudicator to fill out two forms: Function Report-Adult-Form SSA-3373-BK and Work History Report-Form SSA-3369-BK. These forms are used when the medical reports were not sufficient to make a decision. It is very important that these forms be completed and returned to your disability adjudicator. When completing the Function Report, you want to give details. You want to emphasize how and when your disabilities limit your ability to do things an average person can do. If you are not able to complete these forms, call your adjudicator and say you need help. Failure to complete and return these forms may hurt your chances for being approved. Social Security employees and your disability adjudicator will help you complete these forms if you have difficulty answering all the questions.
- ❖ **Vocational Rehabilitation**—Don't wait until you have been denied to think about a referral to VR. If VR helps you to obtain sustained work, that is great. You will be able to earn more than you would get with SSI. If VR is not successful, then this can be evidence that there is no work that you can do despite the best efforts of VR experts. You can call the VR office (404-206-6000) to ask for services at the same time Social Security is processing your SSI/SSDI application.

Remember

■ Do not delay applying for benefits because you don't have all the things Social Security requests. You may lose money if you delay applying. Social Security will help you obtain whatever information is needed.

■ You have a right to be served by any Social Security Office you prefer. You are not required to go to the office nearest to your mailing address or residence.

IF YOUR DISABILITY APPLICATION IS TURNED DOWN

■ **Always appeal.** The first appeal is called a reconsideration and the same office (the DAS) that turned you down will review your appeal. It will take about the same amount of time to process as your initial claim took. If your reconsideration request is turned down, you can appeal again and this is called a hearing request where you go before an administrative law judge. Find a lawyer who specializes in Social Security cases and who will not charge you anything unless you win your appeal. It varies from state to state but generally the hearing takes about two years to complete from date of filing to date of written decision.
